

Is Your Agency Ready for REAL Growth?

Dear Carolyn,

We're so glad you recently visited us at www.IWinBiz.com.

During your visit, you landed on the **Growth Readiness Review** page ... that's for agencies, who'd like us to evaluate their agency and help them get ready for unprecedented GROWTH.

If you've already completed the online forms to share your agency information with us ... bravo!

BUT ... if you didn't complete the forms, yet, then please don't delay?

[Do it right now, while you're thinking about it.](#)

If you're like most agencies we talk to, you're wasting a LOT of money on hiring mistakes. And to say it's an easy task would not be honest.

If you can relate to the pain and agony over locating, recruiting and hiring 'potential' stars -- I invite you to jump over to my [calculator](#).

It's a handy, little piece of technology that my IT guy did -- just for you. Using your own numbers, you can **SEE** where you're losing money and how to **WIN** more business.

You'll see for yourself how you can **WIN 50-80%** more new business and **stop losing 30k to 50k** in hiring mistakes and other wasted money.

It's all in the numbers – and you'll see them right there in black and white. Numbers don't lie, do they?

Give it a try, if you haven't already. (We'll send your results, via email, so you can show your partners ... and moan together.)

And then get to crackin' on those [growth readiness forms](#), if you're not

finished, yet.

We look forward to helping you and your agency to do whatever it takes ... to

[GET ready for Growth](#)

Till then,
