

Free Retirement Review – Radio Spot (:60)

Chances are, you're thinking about retirement. It may be several years from now, or just around the corner. Either way, you're likely going to live longer than you might have thought. And that means your money will have to last as long as you do! Are you *and* your money prepared? Hi, I'm Ric Edelman. You may be thinking that retirement will be the most exciting time of your life. So, you'll want to feel confident that your money will be as ready as you are – to live a long time. Edelman Financial is offering a Free Retirement Review – so you can find out if your savings and investments will produce the income you need for retirement. Meet with one of our experienced financial planners and get the review you need to help you feel retirement-ready. To get your **Free Retirement Review**, visit [edelmanfinancial.com /review](http://edelmanfinancial.com/review). Or, just give us a call at 888-PLAN-RIC. Do it today. (+ disclosure)
