UNIVERSITY OF BALTIMORE * :60 Radio * Career Impasse?

SFX

Sounds of howling winds.
Tiny picking sounds. Sounds
of a man exhausted.

AUDIO

Voice from Above:

Looks like you're a little ill-prepared to climb this mountain, young man. And in the winter, yet?

Climber, breathless:

Yeah ... I think I should of brought better tools!

Sounds of slipping and falling ... Climber says:

Ooops ... almost bought it that time.

VO:

The problem with this young man's dilemma is not the mountain ... it's the tools. He's just not prepared.

More sounds of rocks falling, as young man yells:

Help ... somebody **HELP!**

Voice from Above:

Now, why didn't you bring better tools?

(Hear gasps, more rocks falling. Background screams, as he falls)

VO:

When you've gone as far as you can go in your career ... you need better tools! Call the University of Baltimore at **800.443.2222** and start to work on your advanced degree in law or information technology.

Voice from Above:

He should have **PREPARED** ... at the University of Baltimore!

Man:

(Sounds of his screams, fading off, then we hear a thump, as he hits the ground)

Did you say University of Baltimore??

VO:

It may be too late for this poor guy. But, if you want to advance your career in law or information technology ... get better tools, with a masters or Ph.D at The University of Baltimore.

Call right now at 800.443.2222 ... **BEFORE** it's too late! That's 800.443.2222.
